Overseas – If after 21 working days you have not received your goods we will track and trace the delivery and do our utmost to find the whereabouts of your goods.

Specialty ordered goods cannot be cancelled prior to purchase and/or dispatch and will have to be paid for in full at the time of order. In any event, delivery times are approximate and variable.

The Buyer is required to notify Woods Motorcycles, in writing, of any shortage, mis-delivery or other discrepancy immediately, or at the latest within 24 hours of such shortage, mis-delivery or failure, thereafter the buyer shall be liable for any such discrepancy.

Cancellation of orders and liability, distance selling rights are only valid by Woods in the United Kingdom.

Please note that EU rules and regulations will cease to cover any exported goods from the UK after the UK leaves the EU Single Market.

Clauses below shall only apply to a person who purchases goods as a consumer buyer and is resident within European Economic Community where rights, which accrue by virtue of the Consumer Protection (Distance Selling) Regulations, apply only to goods sold within the UK.

A Consumer Buyer within the UK shall have the right to cancel any contract for goods made by means of distance communication, in accordance with these Terms and Conditions, within seven working days of delivery of the goods, except specially ordered goods which shall not be returnable under the terms of this clause. Cancellation of the contract can be effected by service of a Written Notice signed by the Consumer Buyer which details clearly the Companies Sales Order Number and the name and address of the Consumer Buyer, and delivered either by fax to the number printed on the Invoice or by post to Woods Motorcycles only, not by email.

If a Written Notice of Cancellation is received by the Company in accordance with above clause, the Consumer Buyer shall become liable to return the goods whether a motorcycle or parts or accessories to Woods Motorcycles forthwith, (to such address as directed by Woods Motorcycles) in their original packaging and delivery condition (and without having been installed or used and with all relevant seals and enclosures intact and not subject to weathering, dirt or corrosion) and at the consumer buyer's sole expense and insured to the total cost of the goods.

If the Consumer Buyer fails to return the goods in accordance with the above clause within 7 days of the cancellation of the contract, the Company shall be entitled to collect the goods from the consumer buyer by appropriate courier and to recover any reasonable costs involved in such collection from the consumer buyer.

If the customer has not returned at their cost, or allowed Woods Motorcycles to collect the goods within 14 days of their notice of cancellation – The cancellation will no longer be implemented and the goods will be deemed acceptable and accepted.

Woods Motorcycles shall, if applicable affect a refund of any monies owing to the consumer buyer in respect of the goods within 30 days from the date of cancellation, only after the satisfactory receipt of goods by the Woods Motorcycles. Such a refund will be subject to any offset of monies to which Woods Motorcycles is entitled by definition of the above condition and collection clauses. If the goods are not returned within 14 days of cancellation the right to cancel will cease to exist and the goods will be deemed accepted by the customer.

Liability of Trade Purchases

The Trade Buyer shall indemnify Woods Motorcycles against all actions, claims, demands, penalties and costs brought by or incurred by third parties or this company in tort, contract, infringements of or alleged infringements of patents or registered designs or otherwise arising in connection with the goods or their delivery or unloading or with work done by the company in accordance with the buyers specifications. Trade buyers should ensure that they have adequate insurance in this respect. A copy may be required.

The Buyer confirms that he shall comply with any or all rules and instructions relating to installation and use of the product concerned and fully accepts that any loss which results from forced, misdirected, inappropriate or unqualified installation or use shall not be accepted by Woods Motorcycles.

Limitations upon liability

Advice given by any employee of Woods Motorcycles during a visit to the shop or telephone/Internet orders is based entirely upon information given by the purchaser with no inspection undertaken. As such, all advice given is indicative only and all such advice should be checked by the purchaser prior to order. Please write to us for clarification or advice if you are unsure about your order.

Goods supplied are supplied only to correspond to the purpose for which goods of that kind are commonly supplied and not alternative uses to which they may be put. No liability for failure can be accepted by this company for such alternative use, amendment or modification.

Goods ordered by the Buyer may not be compatible with vehicles which have been modified, adapted or altered. Where goods ordered by the Purchaser are not compatible by reason of modification, adaptation or alteration, Woods Motorcycles may accept such goods back subject to handling fees and terms and conditions and postage charges entirely at its discretion, and shall only issue a credit to the purchaser except

where goods are specifically ordered for the purchaser where no such refund or credit will operate.

No liability is accepted by Woods Motorcycles where purchasers attempt to modify or install components supplied where it is known or ought reasonably to be known to the Purchaser that the part supplied is incorrectly supplied or otherwise not in accordance with the order.

Where goods purchased by the buyer are alleged to be defective, the purchaser agrees to return such goods to the seller for inspection and report (without the seller replacing the said goods prior to such inspection). The purchaser also accepts that it is reasonable to inform the seller of any defect or other failure prior to contacting independent third parties or incurring expense and, in addition, to allow the seller to remedy the defect, failure or interruption. Parts modified or adapted by the purchaser shall no longer be warranted by the manufacturer nor shall Woods Motorcycles be liable for any failures resulting subsequent to modification as a result of such modification.

Competition goods are supplied for specialist use and are subject to extreme heat and stress whilst in use. Life expectancy and durability are greatly reduced and purchasers should note that any claim for failure/wear, shall not be entertained by Woods Motorcycles. It is acknowledged by the buyer of such goods that the foregoing statement shall be a relevant and important issue in any claim brought against Woods Motorcycles and Woods Motorcycles shall, in turn, place importance upon this clause. In addition, parts connected to parts supplied by this company may be placed under stress where specialist/competition parts are used, and purchasers should take advice from experts prior to purchase. Manufacturers may also limit guarantees when components are installed for competition use.

For clarification of any part of this agreement, please email or write your enquiry to Andrew Wood of Woods Motorcycles.

We thank you for your order and will diligently do our utmost to exceed your expectations.

Please note that the UK left the EU Single Market in January 2021, terms and conditions will possibly change over the initial period and apply to goods despatched to the EU from 1st January 2021. Variations in consumer law between the EU and the UK will also exist after the final transition period and implementation of the new border and treaty conditions between the UK and EU.
